About Us

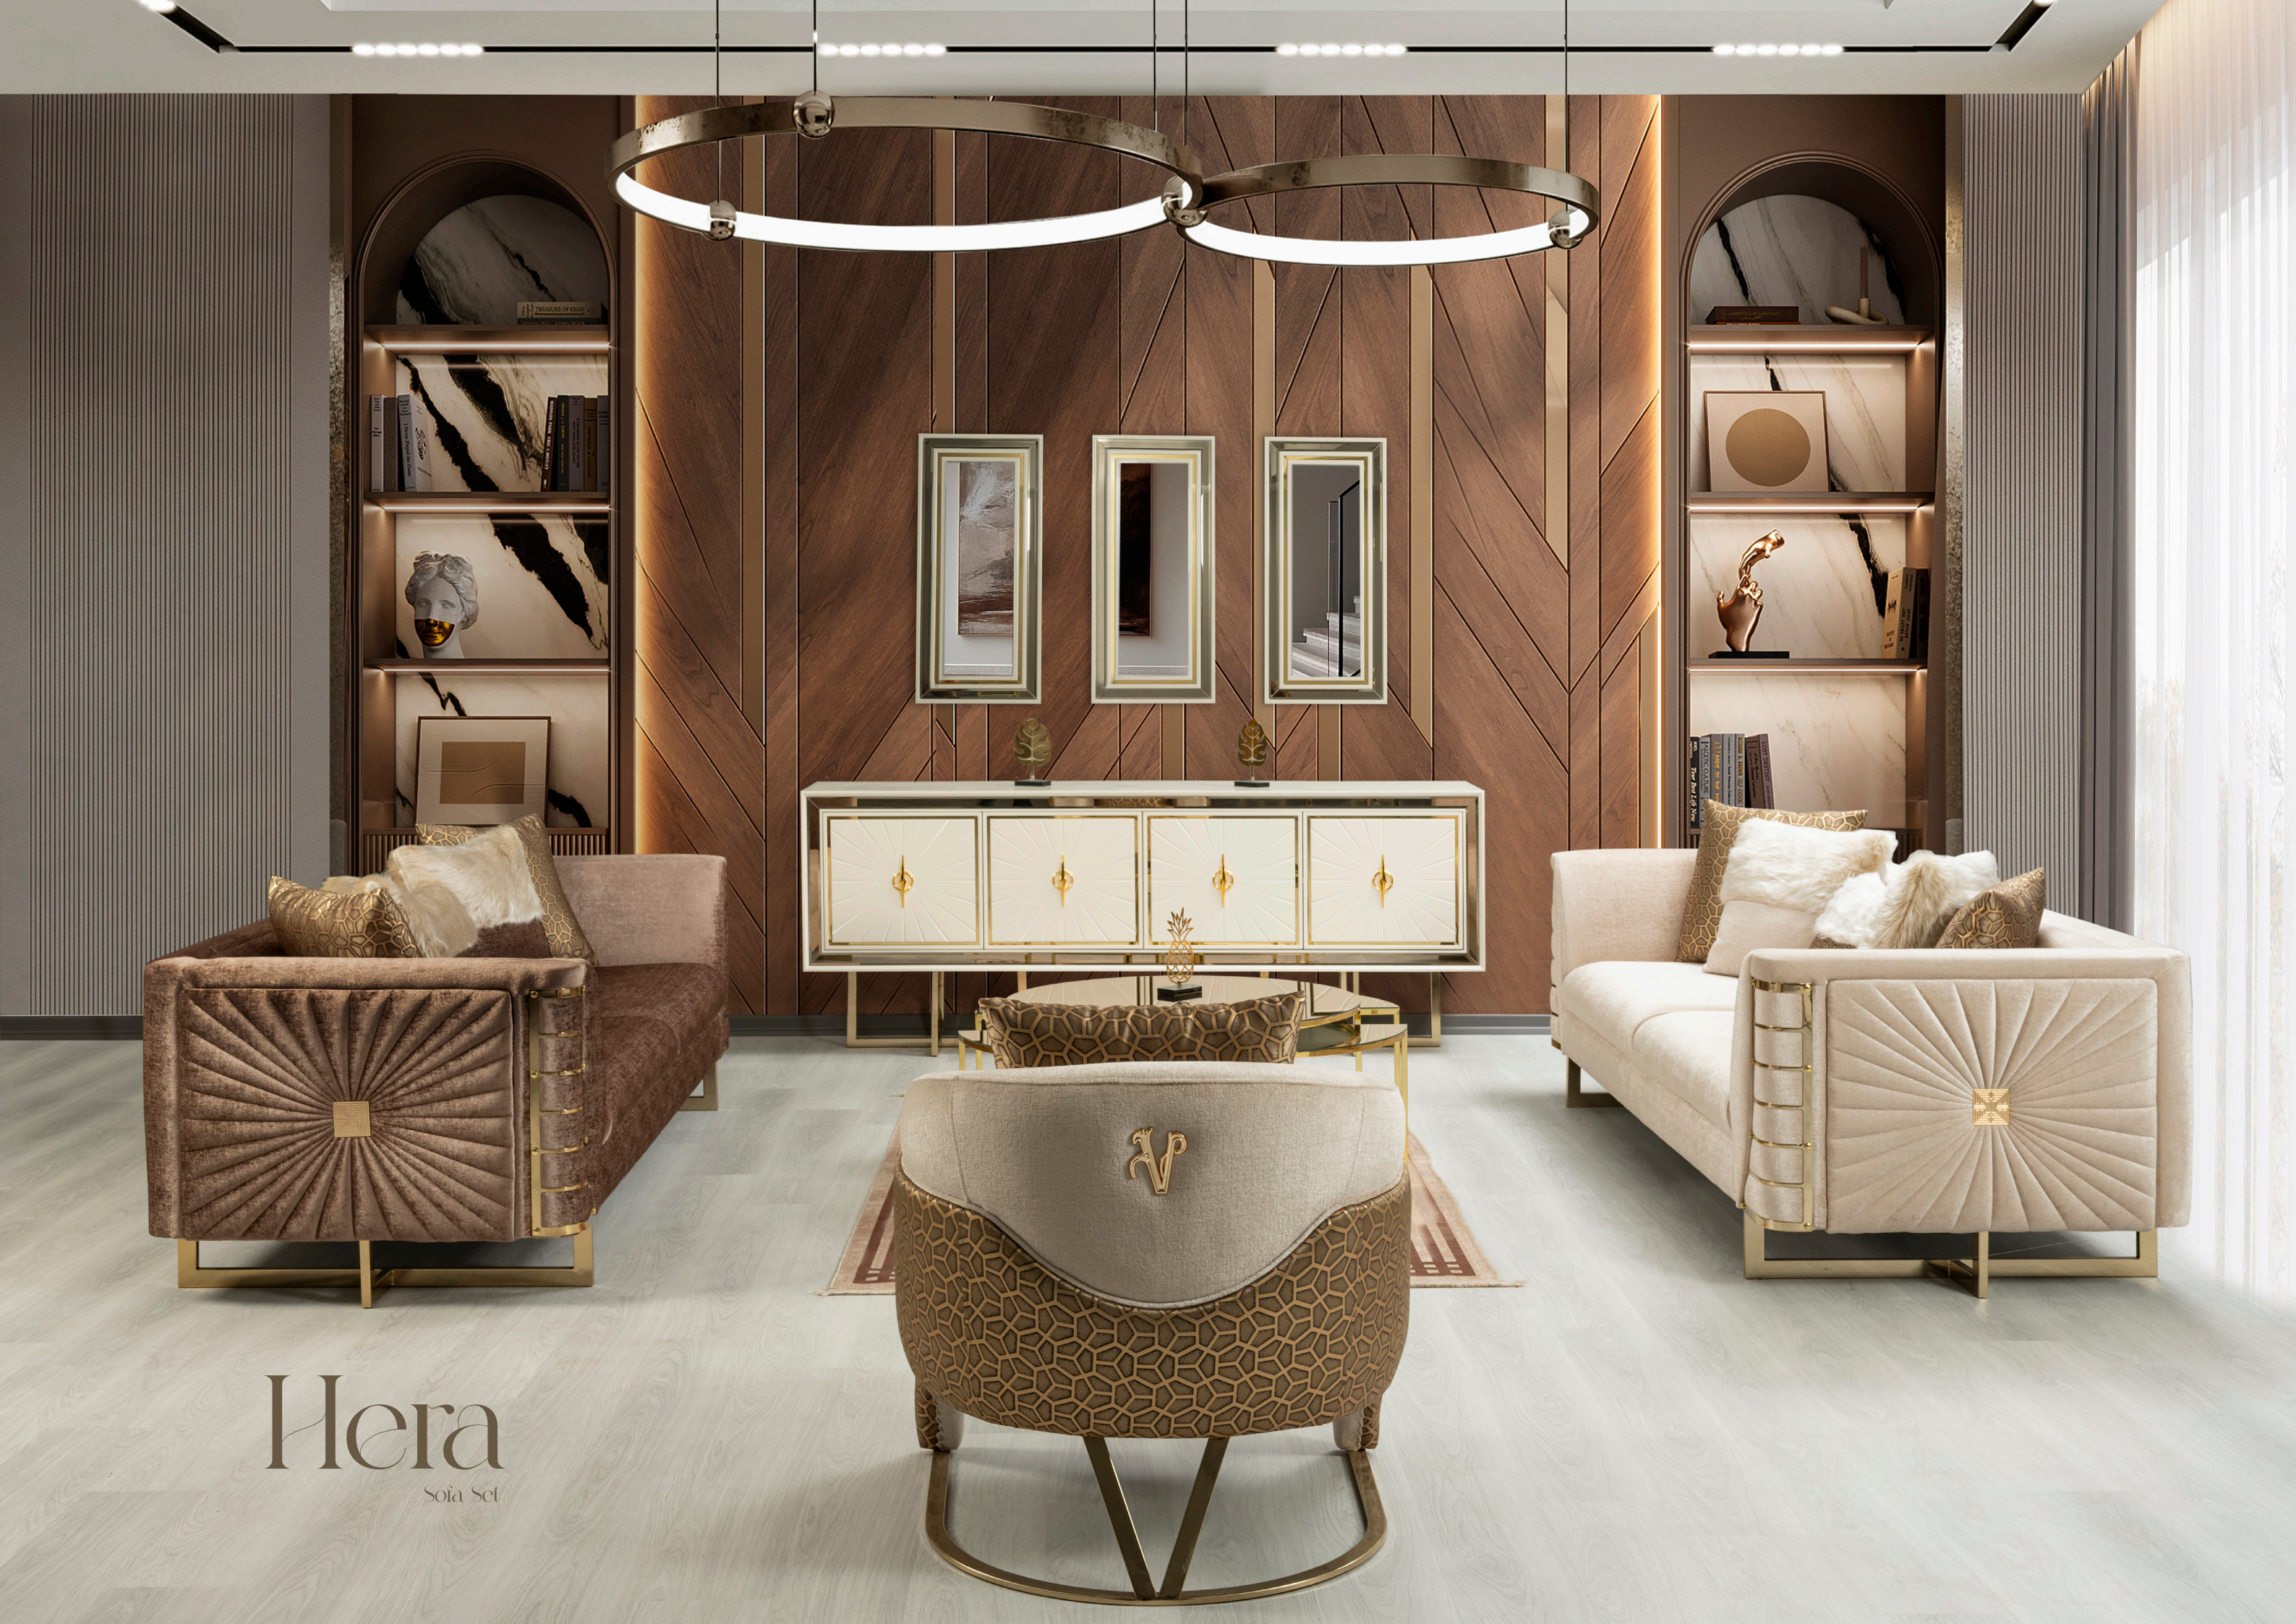

Romex Koltuk operates in İnegöl with the knowledge and experience it has gained in the furniture sector for many years. By combining traditional craftsmanship with a modern design approach, we aim to produce suitable armchairs that cover every home and life.

Our company is known for its commitment to quality and customer satisfaction. The features of our products are selected with care for their longevity and durability. While continuing İnegöl's tradition of permanent furniture production, we also aim to create superiority with our advanced designs.

As Romex Koltuk, we constantly improve ourselves to meet the appearances and add value to the quality of life. Our design team always follows the latest trends and creates unique models that bring together aesthetic armchairs and comfort.

Among the advantages we offer without choosing to buy from us are personalized production, fast delivery and after-sales support services. Each of our armchairs is presented to you after passing through our quality control processes with details and improved features.

As Romex Koltuk, we are here to add elegance and comfort to your homes. You can also examine our products and have armchairs that will make a difference in your living spaces.

Hera

Sofa Set

Hera Armchair is a special piece that offers both comfort and elegance in your home. The sturdy wooden frame of the armchair, which is made of quality materials, provides long-lasting use. Thanks to its soft sponge, it is comfortably supported when you sit and maintains comfort even in long-term sessions. The high-quality fabric used on it offers both a stylish look and durability; it is resistant to color fading and wear.
